

“Travel with Gina” . . .

is NOT a typical tour. You are a friend “Traveling with Me” the way I like to travel. We see the important sights & the real local culture - safely. Due to the ongoing impact of Coronavirus (COVID-19), protecting the safety and wellbeing of travelers, local guides, and suppliers remains my priority and I have adjusted my flexible cancellation and change policy to accommodate the changing times. These trips are good for people who are independent travelers wanting some free time when they travel with a “group of friends”. Not every 5 minutes is planned. We have a lot of free time for individual interests. Many of the people who join this group trip become “lifelong friends” because you have so much in common. Not everyone in our life loves to travel so we need these “traveller friends”. These trips are also for people who want longer, extended & cultural travel. Maybe you are retired already or preparing for retirement? Maybe you want a lifestyle & work-life like Gina's that allows you to travel as much as you want at any age? Welcome to “Travel with Gina”!

IS THIS TRIP RIGHT FOR YOU?

- Before booking this trip we recommend that you read the 'Safety' section of the Essential Trip Information regarding special safety considerations for Egypt trips.

- The Nile felucca cruise is an amazing experience, but it's not for everyone. You will be sharing a sleeping area with your fellow group members for the night and using a shared bathroom facility on board.
- The walkways around ruins can be uneven, dusty and rocky, so be sure to bring sturdy, comfortable walking shoes. At major sites such as the pyramids, you can expect to be exposed to the elements at length, so be prepared with a hat, sunscreen and plenty of fluids.
- Some hotels in Egypt may not have elevators, so on occasion you may need to climb stairs with your luggage to reach your room.
- The temperatures in Egypt can be extreme, from very hot to very cold (it even snows in some places). Be prepared to layer up & down. The best time to visit Egypt is from September through to April. The average temperature reaches a high of 91°F during the day and dips to a low of about 68°F at night.

Highly recommended is the beautiful Temple of Isis (goddess of health, marriage and wisdom), which was rescued from the rising Nile waters and relocated to Philae Island. It's a marvel of decorative pylons featuring some of Egypt's finest carvings – definitely one of the real gems of Upper Egypt. The waterfront promenade, or corniche, runs alongside one of the Nile's most appealing stretches and is the perfect place to stop for a mint tea. Watch the waterfront come alive at dusk, with families out strolling, socializing and relaxing along the corniche.

Otherwise, the day is free for you to make your own discoveries. A popular afternoon option in Aswan is a sailboat ride around the islands in a traditional felucca, stopping off at the botanical gardens on Kitchener's Island. Or take a camel ride to the Monastery of St Simeon, an abandoned seventh-century fortress located in the desert on the Nile's west bank. Our local leader will be on hand to help you get the most out of your day. You may prefer to just relax and take in the beauty of the Nile, or do some shopping in the vibrant bazaar.

Aswan Optional Activities:

- Abu Simbel Tour: Group Minivan (depart 5-6am for the 3 hour drive each way)/Entrance/Guiding (Min 4p) - approx \$110pp OR by air (more popular & subject to availability) approx \$320pp. We will discuss these options with our local guide at the welcome meeting day one. Day 5: Nubian Family Homestay (1N homestay)

(Meals: B, L, D)

Morning sail on a traditional Egyptian felucca sailboat. After lunch on board the felucca, arrive at a Nubian homestay on the west bank of the Nile. Learn about the local way of life with a walk through the surrounding countryside and agriculture fields to reach the homestay. The house is in traditional Nubian style, with a sandy courtyard in the middle where the family gathers for meals, and bedrooms to the side – where we will stay for the night. Get into the swing of Egyptian life by lending a hand in the kitchen to help cook dinner, or maybe kick around a football in the courtyard with the kids. There are few better ways to understand a country and its people than with a local homestay, and you'll have the chance tonight to soak it all up.

Day 6: Nile Felucca (1N felucca boat)

(Meals: B, L, D)

Board a felucca sailboat and enjoy a day on the river, seeing rural Egyptian daily life play and spend a night under the stars. Our sailing crew will provide our onboard delicious meals. The felucca is a traditional wooden boat with broad canvas sails, offering some shade and protection from the elements, but there is no cabin or enclosed section – watching the sun setting over the Nile in the evening from an open deck is an experience you won't forget!

Included Activities: Nile - Felucca overnight sailing trip

Optional Activities: Aswan - Kom Ombo Temple -Entry Fee - EGP140 (approx \$9pp).

With our local guide, learn about the history and legends of these remarkable people, their funerary rites, and the significance of the many paintings and hieroglyphics, still well-preserved in the deepest tombs. Visit three of the most interesting royal tombs (camera fee EGP 300 = approx \$20) and then continue to the Temple of Queen Hatshepsut – a stunning colonnaded building set against high cliffs that create a spectacular natural amphitheatre. Day 9: Hurghada (2N hotel)

(Meals: B, D)

This morning, farewell the Nile to drive east to the beachside town of Hurghada (approximately 5 hours). The green Nile valley is soon left behind as you head out into the Eastern Desert. As you pass by rocky hills, the glittering waters of the Red Sea come into view and the rugged bulk of the Sinai Peninsula looms through the haze on the opposite shore. A vibrant beach resort, Hurghada is by no means a typical adventure destination. After checking in to your hotel, take a leader-led orientation walk to get your bearings and to scope out some of the local restaurants.

Day 10: Hurghada

(Meals: B, L, D)

Transfer to the Hurghada Marina and take a boat trip to Giftun Island, part of the Red Sea Marine Parks. Spend a relaxing day on the stunning white beach of Mahmya. Opportunity to take a snorkeling boat excursion to one of the most magnificent reefs in the Red Sea – fine reef walls, lovely fan corals and colorful fish. Snorkel gear provided. Buffet lunch in one of Mahmya's open-air restaurants overlooking the ocean, with activities such as volleyball, soccer, or relaxing on the beach. Head back to Hurghada in the late afternoon and transfer to hotel.

(Meals: B)

Private transport (6 hours) back to Cairo. In Cairo, visit the Islamic parts of the city and the frenetic backstreets of the local Khan el-Khalili bazaar with your local guide. The 'Khan' is one of the biggest and oldest markets in the world, sprawling around an old area known as Al-Azhar, a warren of alleys with stalls serving up a succession of intoxicating scenes and a quintessentially Cairo experience. Option to visit the gold market, 'Perfume Street' and the spice market, where heady aromas hang in the air like a thick blanket of Damascene cloth (which can be purchased next door in the cloth market!).

Included Activities: Cairo - Khan al-Khalili bazaar visit

Optional Activities: Cairo - Sound & Light Show at the Pyramids (tour with transfer & entry (Min 2p) EGP700pp (approx \$45pp). or on own entrance EGP300 (approx \$19pp).

Day 12: Alexandria (2N)

(Meals: B)

Private van following the 'desert road' to the Mediterranean coastal city of Alexandria (approx 3 hours). Egypt's second largest city and main port, locals call this vibrant city the Bride of the Mediterranean Sea. On arrival, take an orientation walking tour with your local guide. The Greek architect Dinocrates built Alexandria in 331 BC under the orders of Alexander the Great. The city, immortalizing Alexander's name, quickly flourished into a prominent cultural, intellectual, political and economic metropolis. Take time to stroll along the corniche, taking in the fresh Mediterranean air. Alexandria at night is not to be missed, with the whole city lighting up.

Optional Activities - Alexandria - Qaitbay fortress - entry fee EGP60 (approx \$4pp).

Day 13: Alexandria (1N hotel)

(Meals: B, L)

Today, head back to a more recent period in Egyptian history with a visit to El Alamein and the El Alamein war museum which sits on the Mediterranean Sea, 106 kilometres west of Alexandria, playing an important role in significant World War II battles. The area was a turning

point in the North African campaign, where the Allies held out against, and eventually pushed back and defeated, the Afrika Korps of Rommel. The area contains a number of memorials from the countries who lost soldiers here – Greece, South Africa, Australia, Italy – as well as a war cemetery that’s home to the graves and names of the thousands who lost their lives. In the museum, discover the story of the events that unfolded here. Return to Alexandria, well known for its seafood and fresh fish.

Included Activities: El Alamein - War Museum

Optional Activities: Alexandria - Commonwealth cemetery - Free

Day 14: Cairo (1N hotel)

(Meals: B)

This morning, head underground and delve into the mysteries of the Kom Ash Shuqqafa catacombs. This Roman burial site is the largest of its kind in Egypt and was discovered, quite accidentally, by a hapless donkey. The crypts are 20 metres below street level, and what probably began as a small family tomb grew into a labyrinth of chambers that could accommodate more than 300 bodies. Stop by the strikingly modern Bibliotheca Alexandrina, inspired by the original great library of Alexandria and built to hold over 8 million books. Afterwards, head to El Morsi Abu El Abbas Mosque, the largest in the city. During your free time, perhaps take the opportunity to see the Citadel of Qaitbay, a fortress overlooking the Mediterranean Sea, where the famous lighthouse once stood. Then leave Alexandria and return to Cairo (approx 5 hour drive), arriving around 4 pm. Free afternoon (see optional activities below). Optional evening group get-together with our travel crew for a celebratory kebab, kofta, or sheesha.

TRIP INSURANCE

TRIP INSURANCE is highly recommended due to COVID:

1. Gina recommends “TravelGuard Preferred” trip insurance as it is based on the trip destination and trip cost. It offers \$50,000 medical insurance along with other coverage (lost baggage, trip delay, etc). Gina recommends purchasing the “additional medical coverage” for a small amount which offers \$100,000 in medical insurance as well as evacuation insurance. Some countries are now requiring you to have \$100,000 in medical coverage to enter. TravelGuard also offers a “cancel for any reason” add-on for just a few more dollars which is a good idea during this time of COVID. Go to GinaHenry.com, click on “Gina Recommends” for the TravelGuard links. Use Gina Henry/Go Global Inc. code #62401. Air refunds are based on airline policy.
2. TravelGuard also offers an “Annual Plan” for \$259 per year - this is what I purchase because I travel so much. You only have to be 100+ miles away from home for coverage. It offers two trip evacuations per year, \$50,000 of medical coverage per incident, lost baggage, trip delay, etc. However, it does not offer the “cancel for any reason” add-on. Go to GinaHenry.com, click on “Gina Recommends” for the TravelGuard links. Use Gina Henry/Go Global Inc. code #62401.

**For more information on TravelGuard,
please go to my web site at www.GinaHenry.com
and click under “Gina Recommends” at the top of the web site.**

Your \$400pp TRIP DEPOSIT

holds your spot and is **100% refundable up to 150 days** of trip departure &
100% transferable to another Intrepid trip up to 90 days of trip departure.

Due to COVID-19,

see Gina’s new flexible “Cancellation & Change Policy” on the trip summary.
