## **What is UN-TOUR “TRAVEL TRAINING”?**

- This is NOT A TOUR. We will be a small group of travelers (only 4-12 people), traveling together. Gina will work with each person individually to assist you in finding your favorite way to travel - comfort level, length of travel, destinations, etc.
- Gina will teach you independent travel skills as we all travel together. You will learn how to feel confident traveling anywhere in the world on your own.
- We will stay in money-saving (and safe) local hostels & guesthouses where we will meet other like-minded travelers. Gina will show you how to find these places. You will choose your comfort level - and pay accordingly (on location).
- We will book our tours on location through local tour companies & do some of our sightseeing via public transportation. We will do lots of walking & exploring.
- Gina will show you how she eats healthy on-the-road and finds affordable, quality restaurants. Individuals will pay for their own meals, transportation, and expenses on location.
- You will learn solo-travel skills, cultural tips, packing skills, handling the local currency, travel technology, getting laundry done, the local language, and more.
